

To our Volunteer Community

On behalf of the Rowing NZ board, we would like to extend our thanks and appreciation for the season just gone. It has been a difficult year with the disruptions of Covid19. However your positive can-do attitude has resulted in regattas that have been delivered professionally and with a healthy dose of fun.

Volunteers are the backbone of our sport, and by you giving up your time, you as a group have helped literally thousands of athletes.

Once again, thank you for your time. It is very much appreciated.

Ngā mihi nui
